

Opioid Academic Detailing (AD) Scoping Review Data Extraction Form

General Information

Initials of person extracting data	
Article ID number assigned during extraction	
Manuscript Title	
First author name	
Year published	
Journal	
Study location (Country and/or state)	

Study eligibility

Study Characteristics		Yes	No	Unclear
Intervention targeted for health care providers		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Opioid-related outcomes, non-cancer pain management		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Interactive intervention		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Academic detailing (one-on-one or small group)		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Multifaceted intervention		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Reason for exclusion				

DO NOT PROCEED IF STUDY EXCLUDED FROM REVIEW

Characteristics of included studies

Methods

Study design	
Study setting	
Population detailed (MD, DO, PA, NP, RPh)	
Population size	
Detailer description	
Intervention(s)	
Was AD conducted in person or virtually?	
Duration of AD (minutes)	
Number of AD visits (per provider)	
Was a provider survey included?	
Was AD focused on acute or chronic pain?	

Outcomes

Analytic approach	
Primary outcome(s)	
Secondary outcome(s)	
Other outcome(s)	

Results

Primary results	
Secondary results, if any
