

## CORRIGENDUM

# Corrigendum: Role of a topical hydrogel (Dermatix® wound care gel) in acute and chronic wound management: a case series of real-world experiences and expert opinion from Asia

## Abstract

The authors wish to make the following corrections to their article: Lee CY, Chang EWH, Chew KY, Karupayah V, Latief W, Vi Le A, Tobing D, Vu TPT, Wong KC. Role of a topical hydrogel (Dermatix® wound care gel) in acute and chronic wound management: a case series of real-world experiences and expert opinion from Asia. *Drugs Context*. 2026;15:2025-8-3. <https://doi.org/10.7573/dic.2025-8-3>

## Corrigendum

The authors regret that there are errors in their original paper.

The following shows where original text has been removed (strikethrough) and new wording introduced (underlined).
